

Okanagan Mission Tennis Since 1907

May 7, 2020

We are very excited to announce that we will be re-opening Okanagan Mission Tennis Club as of May 15th, 2020. Our 2020 membership registration opened today May 7th online in preparation for the season ahead.

We will be opening with new safety protocols & policies in place that will be very strictly monitored and enforced. They have been put in place to ensure the health and safety of everyone here. Those who choose to disregard any of these protocols and policies may be removed from the facility and risk losing their club privileges completely.

Before even thinking about coming to play, we ask that you read in detailed the updated documents on our website detailing the preventative and protective measures that have been taken in order to prepare our facility for your return to tennis. You can find it at www.okmissiontennis.org.

We also encourage you to do a self-assessment before coming to play. No one should attend the facility if they show any symptoms of being sick. If you are unsure please use the self-assessment tool provided free online through <https://bc.thrive.health/covid19/en> or through the COVID-19 BC Support App self-assessment tool.

We will be open for recreational play only at this time. There are no events, leagues, lessons or tournaments planned until further notice.

Although our re-opening has some limitations, we are all excited to be able to get back to playing and look forward to seeing you back on the courts (at a safe 2-metre distance of course). You can find [Tennis BC and Tennis Canada recommendations](#) here for safe play.

Sincerely,

Beverly Dawe, Association Facility Manager
Okanagan Mission Tennis Committee &
Okanagan Mission Community Hall Association Board of Directors
